WHEREAS, KALEIDA LABS, INC. a Delaware corporation ("Assignor") is the owner of the patents and patent applications listed in Appendix A attached hereto, and is the owner of the inventions disclosed in all of the patents and patent applications listed in Appendix A (the "Patent Rights"); and

WHEREAS, OBJECT TECHNOLOGY LICENSING CORPORATION, a Delaware corporation ("Assignee") desires to acquire the entire right, title, and interest in and to the Patent Rights;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor sells, assigns and transfers to Assignee, its successors and assigns, its entire right, title and interest in and to the Patent Rights throughout the world, to be held and enjoyed by Assignee, its successors and assigns as fully and entirely as the same would have been held and enjoyed by Assignor had this sale and assignment not been made, subject to all licenses previously granted by Assignor.

Assignor agrees that Assignee may apply for and receive patents for said Patent Rights in its own name. Assignor agrees that on request and without further consideration, but at the expense of Assignee, Assignor will communicate to Assignee, its successors, assigns and legal representatives, any facts known to and any documents in the possession of Assignor respecting the Patent Rights, Assignor agrees to testify in any legal proceeding, sign all lawful papers, execute all patent applications, make all rightful oaths, and generally aid Assignee, its successors, assigns and legal representatives, to obtain and enforce proper patent protection for any of the Patent Rights in all countries of the world, and Assignor will direct and cause its current employees, prior employees and contractors to do all of the above to the extent said employees and contractors have a contractual obligation with Assignor to do so.
